

Entrepreneurial buddy

This term we collaborate with the NGO Individuell Människohjälp and Drivhuset in order to reach entrepreneurial people among those who recently arrived to Sweden.

You are hereby invited to participate in a buddy-program, where you will get the opportunity to:

- Grow professionally and personally by developing your coaching and interpersonal skills
- Increase your intercultural competence
- Boost your CV
- Get new ideas and perspectives by engaging with people with another background, different knowledge and experience, and possible interesting approaches to entrepreneurship.
- Use and improve your entrepreneurial skills by discussing entrepreneurship and business opportunities in Sweden with someone, who recently arrived in Sweden.

Sign up now!

Write a short text about your motivation to participate, mentioning your previous relevant experience, your business interests, and what you expect to get out of the buddy program.

Send the application to: Rick Middel at the latest on September 23rd.
