

Power your CV with innovation Join Scandinavian Talent Case Competition

From Friday, November 23 at 10 am to
Sunday November 25 at 12 noon.

Project InnoMatch is looking for **40 dedicated and motivated students** for an intensive innovation camp and case competition that will take place in the beautiful nature of Hjarbæk Fjord.

The innovation camp will start with a presentation of the innovation challenge by representatives of Hjarbæk Fjord Camping. **The overall topic will be "Development of Hjarbæk Fjord Camping for the benefit of future guests and tourists"**. Afterwards you will work in groups with creative processes to come up with ideas and solutions.

During the innovation camp, **the coolest and wildest ideas are welcome** from students with different backgrounds: business, health, engineering, design, entrepreneurship and many others.

Project consultants will be in close dialogue with you during the event and they will provide feedback on your work. Some of the casework will take place in nature and you will sleep in camping cottages. You and the other participants will create new relationships and achieve creative results.

What would you get out of participating in the Case Competition?

- ✓ Experience with innovation, problem solving and the Design Thinking method that you can use in the future
- ✓ Active days with lots of energy
- ✓ Learning process where you can quickly see the results of your thoughts and ideas
- ✓ Expanded network
- ✓ Add a strong point to your CV
- ✓ The possibility to win the case

Practical information

The case competition is for you, who have already participated in InnoMatch talent courses I & II. Alternatively, you have experience with the Design Thinking process from other innovation camps and courses.

Scandinavian Talent Case Competition starts on Friday, November 23 at 10 am and finishes on Sunday November 25 at 12 (noon).

The competition will take place at **Hjarbæk Fjord Camping, Hulager 2, 8831 Løgstrup, Denmark**. The project will provide free food, drinks and a place to be and sleep during the innovation camp.

Sign up here no later than November 12 at noon.

Price for participation with food and accommodation: **0 kr.**

It is a requirement that you attend all the competition's days.

Transportation to the camp venue: please talk about it with the entrepreneurship or incubator coordinator at your campus.

If you have any questions, please contact Andreas Fjord Bonven, abo@eadania.dk.

Talent Case Competition is organised by project InnoMatch financed by The European Regional Development Fund.
